

INSPIRED HOMECARE, LLC FINALIZES PURCHASE OF ST. JOHNS HOSPICE

BATON ROUGE, La., Jan. 26, 2022 – Inspired HomeCare, LLC, announced today that it has finalized the purchase of St. Johns Hospice, LLC, located in San Antonio, Texas. St. Johns is Medicare certified, Texas licensed, and CHAP accredited. The hospice name will be expanded to St. John’s Hospice & Palliative Care and is a subsidiary of Inspired Hospice Holdings.

The addition of St. Johns Hospice complements Inspired HomeCare’s SA Nurses Home Health agency which provides home health and clinical research support services in the San Antonio area.

“It is our mission to passionately deliver the highest quality healthcare to our patients,” said Ron Hogan, President and CEO, Inspired HomeCare. “Our overall growth and the high-quality of home care our agencies provide has positioned our company well to add hospice to our suite of services. We are blessed to have the opportunity to provide love, touch, and comfort to our hospice patients, while continually providing high-quality skilled home care, private duty services, and clinical research support throughout our Inspired network.”

St. Johns Hospice Medical Director is Dr. Manuel A. Estrada, a Board-Certified Internist and Hospitalist in the San Antonio area, with several years of hospice and palliative care experience. Staff includes Administrator and Director of Nursing, Vicki Layton, MBA, RN; and Alternate Administrator, Raquel Rodriguez, LVN.

About Inspired HomeCare

Inspired HomeCare, LLC, is a privately-owned, multi-state homecare network, with immediate focus on deep community integration and major market acquisitions. Inspired currently owns Inspired HomeCare agencies in Arizona, Illinois, and Maryland, in addition to San Antonio Nurses Home Health Agency and St. John’s Hospice and Palliative Care.
